THE PERSPECTIVE

At the core of our mission lies a simple yet impactful message: to contribute positively to our community. Through this art fundraising event, attendees can experience enjoyment while being mindful of the underlying purpose. Together, let us unite our community and create lasting change.

LIVE PERFORMANCES

THE VIP LOUNGE

The VIP experience at the art exhibit offers an exclusive, personalized visit to a stunning collection of renowned artworks. As a VIP guest, you'll be welcomed by a dedicated concierge who will guide you through the most significant pieces, enhancing your journey.

Enjoy exclusive access to the VIP lounge, a space to unwind, connect with fellow art lovers, and even meet artists or curators.

This VIP experience embodies luxury, sophistication, and a deeper appreciation for art, creating an unforgettable celebration of creativity and talent.

LIVE AUCTION

As part of our dedication to supporting our cause, we're launching a creative initiative to auction three unique artworks to an exclusive network of high-profile individuals.

Our primary goal for this event is to drive maximum fundraising, with 100% of the proceeds going directly to our cause.

Additionally, the remaining artworks displayed during the event will be available for purchase. Artists will receive 70% of the sales, while the remaining 30% will go towards supporting the exhibit.

NICK LOWERY

For every one person leaving homelessness, two are entering.

Phoenix last year endured 91,000 evictions in Maricopa County representing over 200,000 people at least temporarily homeless and desperate for support during what may be the toughest times of their lives.

We are here to bring that number down or make a drastic change.
